

AMD INTERNATIONAL TECHNOLOGIES, LLC.

What We Do

Manufacturer of Airframe Structural Components & Assemblies
Precision Sheet Metal Fabrication & Machining
Process & Product Development * Value Engineering

Company Designations

Established 1994 * DUNS Number: 926010760 * Cage Code: 00WV8

NAICS Codes

332322: Sheet Metal Work Manufacturing * 332710: Machine Shops
336412: Aircraft Engine and Engine Parts Manufacturing
336413: Other Aircraft Parts and Auxiliary Equipment Manufacturing
336414, 336415, 336419: Guided Missile and Space Vehicle Manufacturing

FSC Code

1560: Airframe Structural Components * 1680: Misc. Aircraft Accessories and Components

Certifications

SBA 8A – Small Disadvantaged Business
AS9100 REV C * ISO 9001:2008 – QUALITY

Who We Are

AMD International Technologies, LLC.

Who We Are Our Services

Mission Statement

Who We Are

Our values reflect who we are. They are the pillars of our culture. AMD International Technologies culture draws on our core values of leadership, people, service, diversity, accountability, and partnerships.

At AMD International Technologies, we are committed to being the best at what we do. Building and maintaining strong relationships with our customers, vendors and employees is critical to the way we operate.

It is our goal to always develop and respect collaborative partnerships. We do this by delivering what we promise when we promise it, providing innovative solutions that address the specific needs of our customers, and creating a working environment that makes our employees proud, while always striving to improve and exceed expectations, all at the same time maintaining our core values.

Our Services

Sheet Metal Fabrication

- Single Part Processing
- Assembly Processing

Stretch Forming

- Skin Fabrication

Extrusion Stretch Forming

- Extrusion Forming

Hydro-Forming

- Hydro-Form Fabrication

Precision Machining

- Production Machining
- Tool Manufacturing

Multi Part Assembly Processing

- Fabricated Assemblies
- Machined Assemblies

Program Management

- Engineering Design
- Quality Assurance
- Process Control

Mission Statement

AMD International Technologies mission is to exceed our Customers expectations in innovation, quality, cost and delivery through continuous improvement, employees' involvement, supplier participation and customer interaction.
